二〇一四年五月卅日

给萃英学院2014届毕业生的寄语

亲爱的同学们：

作为兰州大学“国家基础学科拔尖学生培养试验计划”的首届毕业生，你们以自身的茁壮成长见证了萃英学院的发展。这里是你们锤炼品格、开阔视野、增长才干的摇篮，这里留下了你们勤奋学习、追求新知的坚实足迹，你们也即将从这里起航，驶向更加广阔无垠的科学蓝海。我希望你们永远秉承兰大人“自强不息，独树一帜”的精神风骨，志存高远，勇于创新，敢于担当，把萃英学院“我有世界，世界有我”的理念内化于心、外化于行。我坚信，你们一定能够经风雨、挑重担、成大器，成为引领未来、改变世界的领军人才。

兰州大学副校长、萃英学院常务副院长 —— 安黎哲

亲爱的同学们：

向往新学校的憧憬与离别的忧伤，会时常萦绕在你们的心头。兰大四年，一切的酸甜苦辣都会成为你们未来人生一笔重要的财富，越久远，越宝贵。作为兰州大学“国家基础学科拔尖学生培养试验计划”的首届毕业生，你们是幸运的！当然，你们也用自己的才智和成绩证明了你们是最棒的！

我也是幸运的。3年前，学校交给我一张白纸，使我能有机会与大家一起：遐想、勾画和建设这一足以激发灵感和创造力的萃英学院。回想与大家共同走过的1000多个日日夜夜，每一个清晨，我便开始想，如何改变，才能使你们受益最大！院训的提出，学制的改变，“十化”的凝练，教学的实施，海外的拓展，跨文化的交流，外教的聘请，思政课的改革，实践基地的建设，学习环境的营造等等，使我凭添了很多白发。

倍感安慰的是，你们与我女儿同龄，使我既能在家里享受小家庭的温馨，又能在学院里分享到大家庭的快乐。

亲爱的同学们，你们即将奔赴世界各地，去寻求心灵与事业的双赢。无论你们在哪里，母校都只离你一个转身的距离，回头望望，便会更加自信与坚强，去实现“你有世界，世界有你”的理想！

兰州大学科学研究处处长、萃英学院原执行院长 —— 龙瑞军

我亲自见证了萃英学院首届学生的“圈养”及“放飞”，感到非常幸运！
我所期盼于你们的，大致有两端：一则是快乐幸福的人生，一则是学业事业的顺遂！

萃英学院党总支书记 ----- 杜生一

萃英学院的首届81名毕业生，和你们相处的时光都是快乐的，祝愿你们
在新的人生旅程中飞得更高，走得更远。
心有多大，舞台就有多大。

-----傅丽萍

我们与萃英学院一起成长，希望你们记住萃英学院，我会记住你们的名字，关注着你们前行的足迹！

萃英学院副院长 ----- 徐鹏彬

Congratulations! It has been a pleasure to get to know you over the last two years. Please keep in touch and make contact if you ever come to the UK.
Nolan

----- Nolan Virgo

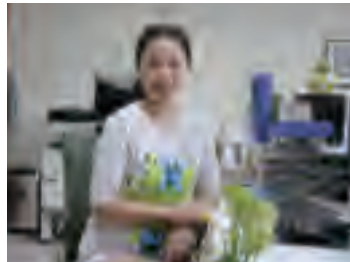

愿你们登上知识的珠峰，看到世界上最美丽的风景！
祝福你们“萃英一期”！

萃英学院党总支副书记 -----马树超

祝学业有成，前程似锦！

----- 董小凡

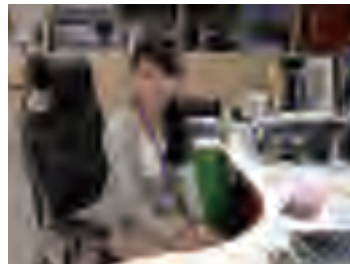

祝你们好运!

-----陈阳红

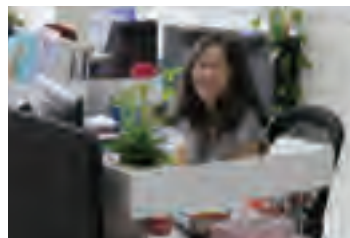

与你们相处的一年让我感受到青春的力量，希望你们一直充满活力，汲取知识的同时享受生活。

-----马晓爽

希望我们共度的时光会对你们今后走向成熟、迈向成功有所帮助，哪怕是那么一点点。

-----方 艳

Many congratulations on the occasion of your college graduation. May you continue to grow and discover the best that you can be.

----- Fiona Luke

Dear Friends--

We have spent an extraordinary afternoon trying to answer the ~~the~~ most meaningful questions about our lives, our interests, and our accomplishments. I have run on less part of any mid exchange with students - or colleagues before - and have found it altogether exciting. Maybe some of the scientists from China should be invited to contact groups of students in America and answer their deepest questions about life - and the way we understand it. That could lead ultimately to truly progressive changes. What an experience it has been!

In gratitude,

Roy Maubier

Messages from Academic Mentors

大学四年，弹指一挥间。

这是成长的四年。自己的大学生活，每学期下来，感觉发生了一场革命，不知道同学们是不是有类似的感觉。常说大一不知道自己不知道，大二知道自己不知道，大三不知道自己知道，大四知道自己知道，这种“Growing pains”，想必大家深有体会。化学10萃英班的同学们，成长的过程中学到了团结和友谊，经历了评奖评优一系列事情，有竞争有合作，没有人在意一时一地、一城一池的得失，因为我们知道人生是马拉松，不是百米跑，四年朝夕相处的感情化成一生的友谊。成长的过程中变得更加懂事，到萃英班来，生活、学习条件上可能比普通班的同学好了一些，我们并没有视此为理所当然，而是更加的明白了自己身上的责任。

这是选择的四年。从申不申请萃英班，到选什么课，再到要不要重考TOEFL、GRE，及至是出国还是国内读研，每一步都是选择，这个过程是痛苦纠结的，因为选择一个东西往往意味着放弃另一个东西；但也是幸运的，因为自己的努力才造就了有条件去选择。所以大学很累，但和中学的累不一样。中学的累是被逼的，千军万马过独木桥；大学的累是“自找的”，是躁动的心催促自己向上的必然。没有什么选择是错误的，每一条路上都有独特的风景，所以无论如何感谢经

历。只要是当时的条件下自己能够做出的最好的选择，就青春无悔！

这是必然在同学们生命里留下浓墨重彩的一笔的四年。和年轻充满朝气的同学们在一起，总是不时被提醒起自己的大学生活。我自己感觉那是一生中最富激情的日子。大学里，没钱没权，没车没房，但有的是希望，有的是梦想。所以巴尔扎克说“也许希望就抵得上一半勇气，因而被天主教视为美德”。毕业以后大家各奔东西，但兰州四年，将是同学们共同珍藏在内心深处的记忆。

“路漫漫其修远兮，吾将上下而求索。”与同学们共勉！

2010级化学萃英班学业导师王强

青春 WHEN WE WERE YOUNG

在萃英学院学习的几年中，我无论是从视野、能力还是思维上都有着极大的提升。在视野的拓宽上，我曾有幸前往西澳大学交流，体验了国外的文化，增长了自己的见识。学院鼓励我们思考，引进了许多国外的原版教材，也使我在大学生活中养成了博览群书，积极思考的好习惯，这也为进一步拓宽学术视野打下了扎实的基础。在能力上，学院的导师制给了我早日进入实验室的机会，对我的科研思维、实验能力等诸多方面进行了全方位培训，较之前有了长足的进步。在此期间，我还积极参与了兰州大学创新创业项目，将书本知识与个人创新思维相结合，充分发挥自己才华。与此同时，我了解到对于一个科研工作者来说，申请项目过程中的艰辛对于今后申请基金和独立完成科研项目都有重大意义。谈到思维培养，我认为这是我来到萃英学院以来

最大的收益。萃英学院的自由氛围更有利于思维锻炼，也给我们更充裕的时间思考人生目标。我有着一颗追求科学的心，但利用科学改变世界、造福人民更是我的人生目标。所以我决定发挥特长，了解更多的专业应用领域，因而最终选择了在航天科学领域深入研究。虽然萃英学院的目标是培养有志于从事基础科学研究的科学家，然而，通过长时间的学习，我意识到了基础科学对于工业的重要性，也明白了我们之所以期待在基础科学上有所建树，其根本原因在于：只有基础科学发达了，才能更好地服务工科，乃至服务社会。对于工科来说，基础学科是理论基础，工科会在它之上得到具体体现。然而，众多工程师因专业因素，对基础科学所揭示的许多问题都无法合理利用。所以，作为一名基础学科出身的本科生，我更希望充分发挥自己的光与热，将化学理论基础知识具有的广度与深度双重优势应用到航天材料领域，从分子结构特点等容易被工科人士忽视的角度突破航天材料关键技术，期盼真正实现理与工的结合，为我国航天事业尽一份力。

During the few years studying in Cuiying Honors College (CHC), the most significant change has been the growth in my horizons. Along with this growth, my technical skills and critical thinking skills have improved noticeably. In order to broaden my horizons, I went to Australia for one month, and learned many aspects about the native culture of western Australia at the University of Western Australia (UWA), which really opened my eyes. What's more, because Cuiying Honors College encourages us to think, the college has brought in many different books. We have the opportunity to learn facts and perspectives far beyond what other students are usually exposed to. Since then, reading became the most important and helpful part in my college life.

We have had additional advantages to grow in technical understanding, starting with receiving a supervisor when in our first year. With the help of my supervisor and my senior fellow apprentices, I gradually understood how to do research and how to look for scientific problems. Besides that, I was able to combine my basic knowledge with experimentation, which was really wonderful. In the second year, I succeeded in applying for a project about covalent organic frameworks (COFs) from the university's Student Innovation Fund, and that really helped me a lot about understanding the difficulty of being a real scientist.

When it comes to growth in critical thinking, I still regard it as my biggest success. Thanks to the free atmosphere at CHC, I had lots of time to think about things beyond what I read in the books. For example, instead of studying day and night, I started to think about why. Why should

I study chemistry? Many students do not know the answer; all they know is that because they major in chemistry, they must study basic science. For me, I do not think so. I love studying science, but I love applying technology to change the world more. So, I decided to play my specialty to learn more about application. In the end, I chose to study Aerospace Materials in NUDT (National University of Defense Technology). Although our professors probably prefer us to do basic research, during these years, I have realized that industry also needs students who major in natural science. The reason is pretty simple; Engineers need more basic theories to devise excellent materials. However, because they also need time to study other important theories, they hardly have a solid foundation in chemistry devising new materials. As an undergraduate student who majors in chemistry, I'd like to combine basic science with engineering. Then I will have the chance to study aerospace materials for the purpose of contributing to work on aerospace projects.

年轻时的你我，对未来充满幻想，向往电视剧里的高楼与自由，羡慕大学里男女的五彩世界。初到兰州大学时，看着校车驶向离开城市的方向，黄色的山脊覆盖了眼里所有的景色，期待在心头落空。眼前的现实失去了理想的支持，在荒凉环境的冲击下，刚入大学的我感到失落和彷徨。但几年充实的大学生活让我的心不曾感到荒凉。

兰州大学 —— 一所被遗落在西北的“985”高校。不用华丽的高楼给我们堆砌象牙塔，但她用特有的大学文化塑造出一批批踏实，勤奋，善良的学子。时光流逝，任岁月匆匆，转眼我已从一个什么也不会的小学妹，变成即将毕业的大四学姐，心中感慨万千却只能说一句：“当年轻已成为往事，我所后悔的是没能好好的“挥霍”年轻的岁月。”

希望还在年轻的你拥有一颗年轻的心，希望拥有一颗年轻的心你能好好地利用你年轻的生命和年轻的岁月。如果时光倒流我能回到过去，我想我会告诉自己“生命在于运动，每天最美好的时光不要白送给那张倒霉的床。”我有一个至今我仍然认为很委屈大二时光，如果可以的话我想问妈妈：“为什么你不把我生得更聪明一些呢？”。经过那一段课业的狂轰滥炸后，我充分相信人的潜力是无穷的。每天蹦蹦跩在专业课与专业课之间，空闲的时间都用在无用的抱怨上面，如果有机会的话

我只想打个电话告诉过去的自己“如果有空的话，睡会儿吧，抱怨是解决不了问题的，而且大四会很闲哦！”

不会责备过去的自己做过什么，只是后悔至今都还没有做什么。我想我会列出一个清单告诉现在的自己：如果将来不想后悔，那就抓紧时间好好“挥霍”现在还在年轻的岁月，让真正年老的我们不会后悔。

谨以此致献给大学的四年时光！

College life is the best time of our life. The most important thing taught in colleges is not education but the means to education. When you graduate from the college, you must remember that education does not prepare yourself for life, education is life itself.

四年的时间，不知不觉间已走到了尽头。曾经是多么的盼望着早些离开这萃英山的荒凉，但到了真正不得不离开的那一刹那，才知道，自己对这片土地是多么的留恋。此时站在漫漫求学道路终点站的我回忆起昔日的点点滴滴，一切都历历在目。仿佛军训还在昨天，如今却即将毕业。想想大学的这四年有许多令人怀念的事，怀念宿舍中的点点滴滴，怀念大三去加国交换的岁月，怀念教室、图书馆、实验室的简单生活。

感谢这四年里给与我帮助的老师 and 同学，感谢萃英学院为学生提供的良好环境和氛围，这些都给我的人生留下了灿烂美好的一笔。当我回首看着这过去的四年，心理充满的各种各样的滋味：成功、失败、快乐、伤心，尽管一开始的时候并不太喜欢这所学校，但是经过了四年之后我才发现我已经深深地爱上她了……不抛弃，不放弃，让我们都加倍去超越自己。

感谢四年大学生活为我生命写下的精彩一笔。

The most important things taught in colleges are not education, but the means to education. Thank you, Cuiying Honors College , for teaching me how to learn, how to live and how to lead! This is the treasure of my life!

回忆四年的大学时光，我感触颇深。在大学里，我结识了很多新同学，同时也开始步入人生的第一个小社会；我开始独立的处理自己的事情，没有父母的帮助；我从幼稚变得成熟，结识了很多朋友，参加了很多活动。在大学里，我经历过迷茫，到最后找清了自己的人生方向；失去过理想，但从未丢失毅力与希望；靠着自己的努力进入好的班级，获得较高的荣誉。虽说大学让我流过泪，淌过汗，可是却因此历练了我，让我看清了自己，看清了人生。偶尔翻出自己组织社会实践的照片，发现自己在不知不觉中已经成长；想想自己坐在电脑前面写“创新创业”项目申请书的纠结，感觉自己已经走进自己的专业领域；回想班级的第一次聚餐，我知道了同学在不知不觉之中已结下了很深的友谊。大四的自己，毕业季即将来临，在

这里，我将告别校园，告别曾经养育了我四年的土地，但是我从不会忘掉我在这里奋斗过，努力过；我也带走了将陪伴自己一生的学校精神——“自强不息，独树一帜”。猛然间想起刚上大学时父母说的一句话：“上个好大学，希望四年之后看到一个不一样的你”，在这里的“不一样的你”不正是能独自适应社会，有文化，有内涵，少让父母操心的人吗？因此，进入大学的每位同学都应该好好学习，让自己更加的优秀，让自己的一生在回想起来之时，都有无法忘记的一个精彩的片段。

Looking back on our university life, we have experienced many unforgettable things. We met a great many new students, while also entering a somewhat closed society. We started handling our own affairs independently without our parents' help, giving up our childish ways. We've met many new friends and have participated in many activities. In college, we found a clear direction; although there have been times we've been tempted to lose hope, we've never given up. We entered a good class and received promotion by efforts producing tears and sweat. Through these things, we got to understand ourselves at the same time that the portrait of who we were was rapidly changing, even unconsciously. When I think back to writing an application about innovation and entrepreneurship projects in front of the computer, I recall the thought of walking toward my professional life. The first time I had dinner with my classmates, I remember the feeling of very naturally entering into deep friendships. In my opinion, at graduation, we will say goodbye to our college and lands that have raised us for four years, but we will never forget that we studied hard here, nor our university motto: "Constantly Improving, Blazing Our Own Path". Suddenly, my parents' words also come to me: "After university, I hope you will not be the same person." I hope you will be someone who is independent and able to flourish in society so that your parents will not have to worry. In college, each student should acquire more knowledge and "should make himself an outstanding person." In that way, our university life will be more worthy to be recalled.

—— 窦金康

I feel blessed for choosing Lanzhou University to conduct my undergraduate study. Life teaches me that it is not which road you take, but what you do during your journey that counts. There was success, as well as regrets. But I am grateful for whatever I have gone through and what I am now. I think I am ready to move on.

还有三个月就要毕业了。又是一年一度的毕业季。

记得在榆中的第一个五月，我还在图书馆的地下自习室备考GRE。从某个星期后，学长学姐们呼啦啦的涌进图书馆，在各个地方各种姿势的拍照。我当时还在想着，等我毕业的时候，一定要在我的那个固定上自习的位置上拍张照片，不枉和红宝书一起在这个地方坐了整整四个月。

想起这些，就像昨天一样。阔别榆中已久的我，怀念的不只只是这些，还有和军训记者团的朋友们在第一个中秋节过过夜的跑马场，当年背过思修毛概的天山堂B区的楼道，早上哒哒跑去练声的将军苑，晚上跑去吃烧烤的民大，每天跑去吃关东煮火锅粉的后市场。

我一直坚信我是个幸运儿。在我大学的四年，我认识了那么多优秀又热心的前辈，带我走过了那些迷茫懵懂的日子；我身边又有如此优秀的同学，激励我进步，让我学着去成为一个更加优秀的人。我庆幸，让我遇到了你们。

四年过去了，虽然没有对自己做过的决定后悔过，但心底里还是有一些遗憾。如果可以重来，我希望能够在大学的时候读更多的书，练一手好字，勤泡泡实验室，多学习一些技能，有缘的话再谈一场不分手的恋爱。遗憾归遗憾，却也是激励自己继续努力的动力。

在我人生最好的年华，遇到兰大，遇到你们，真好。感谢你们的陪伴。

—— 郭蕾

大学四年里充满了对未来的恐惧，一切都那么的模糊。直到最近快毕业了，心里才慢慢平静下来。是蒲老师的一句话点醒了我：“不要恐惧未知的结果，认认真真的做好要做的每一步，结果自然不会糟糕。”

四年当中，有太多的同学和老师给过我这样的帮助，我想这些应该是我最大的收获。在我最需要帮助的时候，总会有同学在我身边。生病时他们帮我买药，倒水，陪我到深夜；遇到挫折时，坐在他们身边诉说心里的苦楚；迷茫时，敲开老师办公室的门，他们的人生经验就是给我最大的指点。这一份份最真挚的友谊和真诚的关心，或许只有在大学当中才能如此纯真。

我的大学时光是特殊的，一年半的榆中生活满足了我对大学生活的所有想象，而后在本部的

两年半我生活在一个没有秘密的十五人大家庭里。我们一起上课，一起早起搭车回榆中做实验，一起爬山，一起吃自助，一起面临未来的选择，我们熟悉到不能再熟悉。这样的一份友谊只有我们懂得。

马上就要毕业了，刚入学时感觉这是一件多么遥远的事情，感觉自己还有很长的时间可以在这里挥霍。但我逐渐发现，挥霍这个词不太适合大学。大学里有个奇怪的现象，每个人的自学能力都得到了突飞猛进地提高，所以想学什么都可以自己去研究。过完大一丰富多彩的生活之后，大学该怎么过大家都了然于心了。每天穿梭在图书馆和实验室之间，内心的躁动也慢慢平静下来，心中的信念就是朝着自己的梦想努力。在这过程中对未来的恐惧感慢慢消失，取而代之的是朝着心中那个方向不懈的脚步。

I will cherish the four years I spent at Lanzhou University.

There's a saying that the friends that you make in university are pure and it is true for me that. Like most of the students, I came from a city far away from Lanzhou. My roommates and I frequently talked in the evening and we came to know one another's innermost thoughts, dreams and shared many experiences. During those years, I tried to solve problems I met, and of course, there were always friends waiting to help me. In the university, we are a big family and the emotion and environment are shared along with everything else in our life together.

I have the courage to pursue my dreams, because, every time I lost my confidence, my friends would encourage me and when I didn't know how to make decisions, my teachers would give me their guidance to assist me. In the future, there will not be so many people like them, but because of the foundation they've laid in my life, I know how to achieve goals and how to stand up after failures.

转眼间，大学就要毕业了。回首刚进入大学的我，真是感慨万千。从一个刚踏入大学校园的青涩少年，转变成一个准备迎接未来充满挑战的年轻人。大学四年真是收获颇多，但失去的也很多。虽然收获了知识和力量，但却失去了青春和年华；虽然构筑了实现梦想的基石，却没有抛弃稚嫩的幻想；虽然从没有踏出国门，内心却仍是此间少年。人们往往认为大学会让人变得成熟，而我内心却如少年一般，从没有受外界的影响。我就是我，谁也改变不了。这也许只是我的臆想，但更是我内心的真实。

其实我是很喜欢兰大的，尤其是榆中。那里是读书的好地方，学习的好场所。没有城市的喧嚣，而多了一份质朴与厚重。我忘不了占座，忘不了后市场，忘不了萃英山，在那里我度过了美好的两年半时光。其实大学读到现在，我还是很迷茫，不知道自己到底在做什么，为什么这么做，一切只是别人在做，自己也照猫画虎打酱油的跟着凑热闹。最后也没有出国，只能算出境。我有时候真想说，我在国内读研，省的那么多冷眼旁观，勾心斗角。这时候我变成一个观察者，静静的观察这个世界。以前我执着的东

西，现在看起来究竟有什么意义呢？我经常在想这个问题，但是有无法得出答案。也许真相就是：一切都是空。但我现在知道了我应该做什么。那就是去寻找我存在的意义，去做我力所能及的事，去尽量帮助他人，我想这才是我能够前进的动力。

对于未来真的不能做什么预测，但是我会去完成我该做的事情，听我该听的言语，追寻我所向往的梦。这一天也许会来的很晚，但我会一直等，等到我的梦出现在我的眼前为止。人生短短数十年，这才是刚刚启程。出发吧，少年。

College has been the best time of my life. During college, I have gained knowledge, developed and made good friends. While some things have been tough, and I've experienced hardship in certain study projects, I am always striving to achieve my dream. This belief is as impregnable as marble of fame and it will also last a lifetime. Chemistry is the thing I really fell in love with. After graduation, I will be a graduate student in Hong Kong. Maybe I should memorize some happy moments in my daily life, such as joining a party with my friends or watching a film with my roommates. But, in my point of view, the most important thing is friendship. Friendship will never be broken, though time is flying away and years are passing by. If I should meet my friends after long years, how should I greet with them? I perhaps would have a feeling, with silence and tears just as Byron said.

时间都去哪儿了

似乎真到了该说再见的时候了，向这段充满欢笑，充满浪漫，也充满酸涩与淡淡忧伤的学生时代。大学就像学校门口的公交车，坐上去，又回来了，那是一个学期的结束；坐上去，不回来了，那就是毕业。

大学四年更像一个时光机，见证了我在草科院、化学院和萃英学院不同的交际圈；见证了榆中校区与本部“村”与“市”的生活与心态；更重要的是从简单快乐到成熟茫然的心境变化。

“母校就是你一天骂他八百遍却不许别人骂的地方”，这一点在榆中校区体现的最为明显。刚入学时，春天的沙尘暴，夏天的火辣辣太阳，秋天早枯的树木，冬天吝啬的雪花等等都在挑战着忍耐的极限。可是，在两年前搬到本部，一切似乎在悄无声息地发生着变化。半夜夜醒来想吃

后门的东北菜；晚上梦到某个下午伴着落日爬萃英山的场景；周末坐在宿舍看着篮球想起和基地班同学打球的淋漓尽致。母校，一个让你来时千万个不愿意，走时千万个不舍得的地方，送走了我们的青春，记忆着我们的疯狂。

毕业了，校园里充满着更多的留恋与伤感，与其如此，倒不如珍惜拥有，显示我们90后的洒脱与坚定。坚不可摧的友谊，五湖四海的朋友，无论未来怎样，一定要健康快乐。不知道我们什么时候再见，但我相信，我们一定会再见的！

运动会上的07联队已变成了10联队，曾经的学弟学妹都长成了学姐学长，时间都去哪儿了？且行且珍惜！再也不用逃课了，因为没有课上了……

It seems that my time in Lanzhou will soon be gone. I have lived here for four years, during which I experienced happiness, sadness and something like that. I am sure I will be so sad when I say good bye to it. The four years in Lanzhou University witnessed how I changed my major from pratacultural to chemistry and how I was selected as a student of Cuiying Honors College. The most important thing I got from my university life is that I have become a mature person and I can face difficulties with positive attitude and deal with it successfully.

There are so many good memories during my college life: the first time I saw high mountains, the sports I played with my friends including Basketball, badminton and running, the moment when I heard that I had received a scholarship, and so on.

At last I would like to say, "Thank you, Lanzhou University; thank you Cuiying Honors College; thank you, all my teachers and all my friends."

李志敏

我很幸运的能够在大二下学期进入萃英学院学习，在两年多的时光里，我在萃英学院成长了很多。我刚进入萃英学院学习的时候，萃英学院还是个婴儿，各方面的体制还不够完善，我能明白新建立一个学院需要经过很多关卡，尤其还是以培养拔尖人才为目标的学院，在中国的固有教育体制下，想有所创新，必然会很多艰难之处。每当我在院办看见龙院长、杜书记还有很多老师在为学院的发展呕心沥血地工作时，心中总是充满感激之情，没有他们的辛苦地栽培，我们也不会收获胜利的果实，我非常感激学院对我学习上的支持。我印象最深的有两件事，第一件事是大二下半学期，学院资助我们一批学生去加拿大Manitoba大学学习交流，杜书记亲自带着我们去往加拿大，这对我来说是一个非常好的机会学习机会，不仅锻炼了我的口语能力，更加深了我对国外大学的认识，以及国外文化的了解。而凭我这样一个出生在普通家庭的人，没有学院的支持，是

无法去加拿大学习交流的。第二件事是学院在推免研究生上竭尽全力，龙院长、杜书记等倾尽全力的把我们推向更好的平台，让我们更好地发展,这种高瞻远瞩的眼界是办好学院的有力保障。总之，在短短的两年左右的时间里，我在萃英学院学到了很多，不仅仅是知识上的增长，还有为人处世以及生活上与人相处的感悟与道理。我非常感谢萃英学院的栽培，我会一如既往的努力奋斗，为学院的发展和建设做出力所能及的贡献。

I am honored to be a family member of Cuiying Honors College. During two years of studying in Cuiying Honors College, I have gained not only much knowledge, but also much more experience for living a healthy life. The staff of Cuiying Honors College have done their best to give me a broad base of knowledge. I am very grateful and well-positioned for the future.

没想到自己即将要毕业了，这个事我在写这个毕业感言时候，最想对自己说的一句话.不知道怎么的，四年的大学生活马上就要结束了。本来一个学历的授予与完成是件值得高兴的事情。但是就在即将毕业的喜悦中，我又感到了一丝的不舍，留念与对未来的内心的迷茫。

在大学的四年生活中，我熟识了很多的朋友，不论是我当时在化学学院的三位室友，还是在化学基地的众多好友，亦或是转入萃英学院后认识的其他专业的朋友。这些朋友都是我一生中宝贵的财富。他们带给我的欢乐和鼓励，还有在学术问题上的探讨都让我铭记在心。

感谢在大学四年中教授我知识的老师，我的指导老师，没有他们在基础知识，科研思维以及实验技能对我的帮助，也就没有现在的我。

兰大这所西北名校是很一个很适合静下心来学习的学校，也是这所学校锤炼了我的性格，同时让我看清了我喜欢的方向。既然马上就要毕业了，也就是得谈谈自己对未来的迷茫感，一个事情的结束总是得带着另一件事情的开始。而新事情的开始往往也就代表着未来的不确定性。虽然已经决定了自己要继续读研究生，但是自己还是处于迷茫的状态，也学这种迷茫也是成长吧。

最后感谢化学化工学院，感谢萃英学院，感谢兰州大学对我的培养，真诚的希望以后萃英学院能够越办越好。

When the time I wrote this graduation feeling, the first thing to come out my mind is that I will graduate soon, which I even could not imagine now. Time flies so fast, there are many things that I cannot forget in Lanzhou University – my friends, my teachers and supervisors. I could not be the man I am, without them.

I am also a little bit worried about future. A new start always means a new change. The future is always unknown, and the only thing I can do is to purse what I am interested in. If I do this, I will have no regrets.

Lastly, I thank the department of chemistry, Cuiying Honors College and Lanzhou University for helping and cultivating me.

"CHC, Live long and prosper."(From Star Trek).

一眨眼，我将离开大学这个人生站台。依稀记得几年前，父亲和我拿着大包小包从家乡湖南来到遥远的兰州。当时我心中充满了期待与好奇。但是，当看到榆中荒芜的土山，呼吸着干燥的空气，心中掠过一丝丝失望。可是，事实证明我错了。榆中是一个如此神奇的地方，这里有多姿多彩的社团活动，各种各样的校园竞赛。能够让人感受到校园青春的气息。更重要的是，这里没有浮躁，没有喧嚣，能让人心绪平静，安心于学习。这里校园面积大，花草树木环绕，学习之余可以与朋友在校园里散步，偶尔爬爬萃英山。这种生活是如此美好，给包括我在内的无数兰大学子留下了不可磨灭的青春印记。只可惜进入萃英学院之后，在榆中的日子骤然减少，这样榆中的记忆就更显珍贵。

说到萃英学院，首先我得感谢她。她使我的人生发生了重要的转折。以前，我曾来都没有想过要出国留学。留学对我而言是那么陌生那么遥远。但是自从被选拔进入萃英学院，特别是受资

助去了澳大利亚一个月后，我的想法改变了。原来我可以选择一条更加宽广的道路，原来我可以体验另外一种不同但是同样精彩的生活。另外，萃英学院提供了与别的学科同学接触的机会，让每个人都交到了一些不同的背景的同学。这不管对现在还是将来都是极为有好处的。

时间终会带走我所珍爱的大学生活，但是同时也会带给我同样宝贵的后大学时光，现在我一如几年前期待大学生活一样在期待着我的研究生生涯。虽然挑战在增加，压力在增加。但是我并不害怕。兰州大学、西北出来的孩子应该具备这种勇气。

One place that I will never forget is Yuzhong Campus of Lanzhou University. Although it did not leave me a good impression on me the first time I saw it, after living and studying here for several weeks, I grew to appreciate its peaceful environment, variety of activities and excellent academic atmosphere. I love to study and read books in the library as well as stroll around the campus and climb Cuiying Mountains with my friends. How perfect it is!

As a student of Cuiying Honors College, Lanzhou University, I feel so lucky and honored. CHC expanded my outlook and provided me opportunity to go to Australia, which directly guided me to further my studies overseas. Thank you, CHC, you changed my life!

I also made some life-long friends with whom I share the same interests and social values. They helped me a lot when I needed and gave me confidence when I was upset. Thank you, all my friends!

Time moves ahead, but memories last. Lanzhou University and Cuiying Honors College, good luck and thank you!

时光荏苒，不觉自己已经走到大学的尾声，四年的生活无疑将会成为我心中最宝贵的回忆，温暖我心灵，鼓舞我前行。每次回首审视自己的过往，好多事情都历历在目，总觉恍若昨日，如同如潺潺小溪般从脑海清晰的流过，那些学生时代的欢歌笑语，豪言壮志，酸涩艰辛，虽将永远一去不复返，却成为了人生旅途中一笔巨额财富。

最初，坐着校车从三角城高速路口转入榆中校区，来到了心中盼望已久的大学，到现在买飞往美国的机票，准备去国外学习，这四年中每一年自己角色都在不断地转化，目标也不尽相同，大一，还没有摆脱高中生的意识，只想着用好的学习成绩，换取奖学金和进入基地班机会，这个目标对我来说是纯粹的，也是有效的。大二，偶然转入萃英学院，结识了好多优秀的同学，人生的进步是需要榜样的。陈虎平说过：“跟优秀的人在一起。”，也许是这个原因吧，自己开始吸取了其他人的长处，变得不那么简简单单，但也是我这四年中，最纠结和迷茫的时候，也许是优秀

的人太多了吧。大三，开始准备英语出国，托福、GRE是这一年的中心话题，回过头来看，很多时候努力程度并没有达到足以拼智商的地步，换句话说，努力换取成功是亘古不变的铁律。大四，出国交流，积累经验，最大的收获懂得培养一颗强大的内心，当感到彷徨，无助，伤心等所有悲观思想只因你的内心还不足够强大。

这四年来最令我感到欣慰的是我没有浪费太多的时间，最令我感到遗憾的是没有读太多的书，最令我感到高兴地是认识了很多性格相投的挚友，最痛苦的事情是有段时间找不到目标和方向，最喜欢做的事就是邀两三个好友打羽毛球，最想感谢的老师是我的班主任汪沛源和王强老师，还有学业导师梁永民老师，最想对自己说的话：锻炼身体，早睡早起。最想对学弟学妹说的话，“天道酬勤，跟优秀的人在一起，培养一颗强大的内心，在这个世界上，资源很多，机会很多，但却只有极少的一部分充分利用了上天给他的一切去换取他想要的成功，希望你能成为那极少部分人的一员”。最喜欢的一段话：“人的生活方式有两种，第一种方式是像草一样活着；你尽管活着，每年还在成长，你毕竟是一棵草。你吸收雨露阳光，但是长不大。人们可以踩过你，但是人们不会因为你的痛苦，而产生痛苦；人们不会因为你被踩了，而来怜悯你，因为人们本身就没有见到你。所以，我们每一个人，都应该像树一样成长。即使我们现在什么都不是，但是只要你有树的种子，即使你被踩到泥土中间，你依然能够吸收泥土的养分，自己成长起来。当你长成参天大树之后，遥远的地方，人们都能看到你，走近你，你能给人一片绿色。活着是美丽的风景，死了依然是栋梁之才，活着死了都有用”。

大学的四年无疑是最值得怀念的时光，让我们且行且珍惜。

During the past four years, I'm glad that I did not waste too much time, but, I regret that I did not read many books. What pleased me most was getting to know a good friend; the most painful thing is that I can't find a goal and direction.

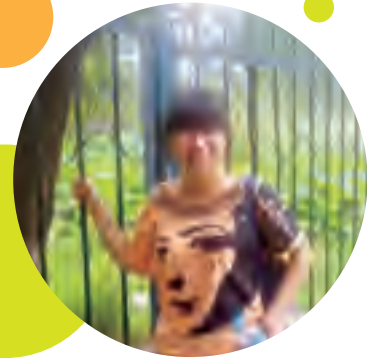

My favorite activity was playing badminton with two or three best friends, the teachers who I most want to thank are Wang peiyuan and Wang Qiang, and my mentor Liang Yongmin.

The words I most want to say to myself: exercise in the morning. The words that I want to leave for mentees, together with good people, those desiring a strong heart, in this world, there are lots of resources, and lots of opportunities, but only a few people will fully use everything that God gave him for a successful life. I hope that you will be one of those few. My favorite passage: "There are two kinds of people in life, the first way is like grass, and the second is like a tree. Although grass is alive and grows every year, absorbing the sun and rain, people step on you. People do not feel pain because of your pain, and, and they do not feel pity for you because you were stepped on, because people themselves

did not see you. So each of us should be like a tree to grow. Even if we seem as nothing, but as long as you have a tree seed, even if you are trampled into the soil, you are still able to absorb soil nutrients, and later when you grow into towering trees, far away, people can see you, and when they approach you, you will give them a place of shade. In the beautiful scenery of life, there are both the living and those that have died ---- Mr. Yu Minhong "

大学四年里，有太多的人、太多的事，时常浮现在眼前，挥之不去，忘不了军训时的情景，更加忘不了那一份真挚的友谊与祝福.....

在这四年里，我经历了许多喜怒哀乐的事，也交了许多朋友，这些朋友在我伤心的时候，鼓励我、安慰我，也有许多老师教导我做人做事的道理，让我在这四年里成长了许多，我要感谢各位老师的教导。我是如此平凡，却又如此幸运。真心谢谢大家！四年改变了我们的容颜和那颗曾经年轻的心，而成长的代价就是我们失去纯真的微笑，而多了一份离别的伤感。无论我们有多少不舍，都唤不回逝去的四年。但我们无须失落，我们依然可以一路高歌，让六月的骄阳永远见证我们的无悔青春。

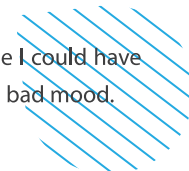

离开，不代表不再想念，而是把你们的笑脸永远刻在心间。四年转瞬即逝，面对老师、同学和这个生活了四年的大学，我要说的惟有：“感谢！谢谢你们！这里是我们丰满

与磨砺羽翼的地方，明日我们就将展翅翱翔。岁月流逝总是比想象中要快很多，不要抱怨，不要害怕，不要逃避，坚持走下去，就能看见彩虹！”

毕业是一首久唱不衰的老情歌，是散场之后的余音绕耳，所有甜美或者苦涩的故事定格为热泪盈眶的欣悦、依然真诚直率的目光、依然奔流激荡的热血。别了，亲爱的母校！别了，慈祥的老师！别了，心中的绿荫！我们要把最纯洁的心捧给您，我们永远的祝福您——兰州大学。

As I am graduating, I'd like to show my feelings with you before leaving university. I experienced every emotion during these four years and had a good time with teachers and classmates who supported me and I have no doubt that I gained knowledge and skills which are good for my future study.

Nevertheless, there is still something that I feel regretful for. For example, I wasted my time in playing computer games while I could have been spending these times in reading or doing exercises. Moreover, I regret for having argued with my friends when I was in a bad mood.

Time flies, we're going to graduate. Please believe us. We will double our efforts to achieve better results in the future. I sincerely wish all my teachers good health and our alma mater a brilliant future.

人生就像一场旅行，不断相遇又不断离别。与兰大相识应算得上是一场邂逅，但却时常计算着离去的时间。对于兰大，我们都是匆匆过客，四年的短暂时光只能在兰大的积淀中泛起一丝涟漪。但兰大却在我们身上刻上了烙印，深深地改变了我们每一个人。

兰州，一个陌生而又遥远的地方，一个在初中学习地理时经常记不住的地方，在那个夏天突然就闯进了我的生活。对于一个失望的人，兰大以一颗包容的心收留了这个流浪儿。

当大家怀着一颗憧憬的心去往灯红酒绿的东部城市时，我来到了这个荒凉寂寥的西北小城——夏官营，开始了我的大学生涯。荒凉的地方更能孕育出顽强的生命，每一棵长在这里的花草都有着一颗高昂的头颅，都在向蓝天展示着自己的坚强。生活学习在这块土地上的学生们也永远保持着一颗向上的心态，吸取着养分，不断成长。

I want to thank all of the teachers who helped me in my study and school life, friends who shared happiness and sorrow with me and, of course, my family who has always supported me in times of trouble.

The four years in Lanzhou University greatly enriched my life, at that time and for the years to come. The knowledge I gained during those years enlarged my outlook and the successes and downfalls I experienced have helped me keep a positive and optimistic attitude towards life. Armed with knowledge, an open mind and a positive attitude, I am equipped to achieve more and bigger successes.

Finally, many thanks to the people I met during my university life, as their influence and encouragement helped to form my thoughts and direction. I wish you every success in your work, studies and research!

回顾过去四年的大学生活，我可能已经习惯了西北广阔的风光。事实上在面前的讲台上原子世界风起云涌的时候，我无论如何不可能长时间浑然忘我地盯着窗外，研究那些高大的树木和绿荫道两旁的法国梧桐。有时候变得无所适从，有时候不禁责问自己，然而迷惘和不悦稍纵即逝，因为没有时间做无谓的思考，没有时间浪费时间。

我想，每个人在学生时代一定都有憧憬的东西或感动的事情，有想坚持的事情，就要有用纯粹的心灵去碰撞的勇气。我想，那就是，即使对大人或其他人来说毫无价值的事物，却是自己无论如何也要紧紧抓住的事物，因为有那种纯粹的心情，怀着希望，怀着勇气，怀着梦想前进着。并且，无论遭遇了什么，应该告诫自己：

Dance, as if nobody's watching,

Live, as if the Earth is Heaven.

Remember, always live with a grateful heart.

三月，又一个夏天即将到来。混合着四年前来到这里的那个蝉鸣阵阵的夏天和马上要迎接的夏日毕业季。我尝试着在脑海里寻找涂抹在我记忆里忘记揩去的色彩，历历在目。就像昨天还是拖着沉重的行李踏入这里，昨天还是开始匆忙的课程，昨天，有着实验室里弥漫的药品和仪器工作的混音，暖色调的早晨天空里暖洋洋的阳光，融入转角路口卖阳光早餐的人鹅黄色温暖的围裙里。以及，被忽略了头顶上的郁郁葱葱的盛夏。无数的颜色旋转着融入缤纷的涟漪，挂着复杂而相互调和的情绪蛰伏在心底。又在某个感伤如伤花怒放的时刻悄悄燃亮，温暖得一塌糊涂。时过境迁，颜色的碎屑掉下来，模糊了我们的回忆。回想起来，除了琐碎时间里的思考和追逐，就是实验室、宿舍、食堂三点一线的生活，不是多年后回忆起来，会不会觉得似乎我的大学略显单调了呢。而那些靓丽的颜色，居然这么奇迹般的渗透在每一天清晨的微风中，潜移默化。

有时候觉得自己真是幸运儿，一路走来总有贵人相助：起初作为新生的迷茫，有热情的班主任、前辈和同学指导、帮助，之后进入萃英学院更加一帆风顺——在崭新的平台里遇到最好的自己，对此我非常感激帮助、鼓励我的每个人。在大学里，与人接触的过程不同于之前的任何阶段，新的思想和品质让人成熟成长，让人想成为像他们一样优秀的人。“认识你愈久，愈觉得你是我人生行路中一处清喜的水泽。几次想忘于世，总在山穷水尽处又悄然相见，算来即是一种不舍。” ——简贞《四月裂帛》

时至今日对于我遇到的老师，同学，家人，朋友，每一天的每个人，想必是怀着这种细腻的感情、感激和感动。如果没有大家的帮助，我已无法走到这里。我的梦一直都很简单，今后去异国读书也好，人生的期望也好。恍眼已是离别的日子，三月的青黄不接，满目的纷杂情感：

缱绻光阴悄逝去/昨忆起，弄堂里

留恋片刻，岁岁年年/已措手不及

花儿们，各东西/如来/如去

无所来去

千万里/长相惜

然后，然后，或许有一天，我在书柜的最里层偶然间翻出那些当年的手稿，书籍，翻出泛黄的照片和回忆时，会想原来曾经的梦想和热情的痕迹、青春的不灭的感动，原来一切，一切，清晰刻印在记忆中的昨日，已经过去这么久了吗？

Four horizontal dashed lines for leaving a message, enclosed in a rounded rectangular frame with a green border.

四年大学时光就这么过去了，总的来说还算比较丰富的吧。社团、学生会什么的没少参加，可是真正的做的都是常规工作，并没做出什么自己满意的成绩。学习成绩还算好，也没什么值得炫耀的，总之是平安无事顺利毕业，也拿到了一般大学的offer，有学习上总比没学上好嘛。现在突然要说点儿什么毕业感言，还真的不知道从何说起呢。

我觉得应该感谢一下新闻学院的王骝老师在我高考完报志愿的时候把我拉到了兰大，还记得当时他告诉我与其在一个好学校做一名一般的学生，不如在一个一般的学校做一名好学生，这样学校的资源都会集中在你的身上，会对个人未来的发展会有很大的帮助。之后不知道为什么，和王老师也就慢慢失去了联系。但是我能够走到今天，王老师当年所提供的帮助是非常非常重要的。

另外就是大学认识了很好地一群小伙伴们吧，不管是宿舍的舍友，班上的同学，还是实验室的师兄们和唯一的师姐，在学校里面几乎都是形影不离的，就算今年在UO交流也一直保持着联系，希望以后离开学校以后也能够一直如此。

虽然在国内的梦想是以后在学术圈混下去，不过在加拿大这一年让我意识到自己好像并不是很适合搞学术，以后的打算还是读完博士，可能会尽快找个工作的吧。我也不是能说出什么豪言壮语的那种人，从小到大都这样，能够一步一步老老实实的按照计划走下去就行了，希望未来总是光明的吧。

Four years of my college life flows so fast that I do not even notice. But I believe this four years will definitely be the most important years in my life.

In 2010 I was enrolled in Lanzhou University, majored in chemistry. Fully filled with expectation of college life, I came to Lanzhou and only

found the university located in mountains, or more specific, half desert mountains. People told me it was the best place to study because here has nothing for entertainment. And I totally agree with such idea after few months. Days in library enriched my knowledge of chemistry, and I found ways of self-learning.

Later luckily I was selected to Cuiying Honors College, which really broadens my view. The college supported me to Monash University for English Training. However, compared to training language skills in one month, that month strengthened my determination of going abroad for future study. I saw the giant gap between China and Western Countries. To reach better career goals, it is a necessary procedure to finish my PhD in developed countries.

The last year of my college is the best part, I suppose. I went to University of Ottawa in an exchange program for an academic year. This year gave me a deeper understanding of western culture - people here are no longer struggle for life, but enjoy it. I learned to swim, ski, skate, meet new friend in bar and enjoy my spare time in nature. It is a kind of life without karaoke and movies, but is also interesting. I finally got to know what I want - a peaceful life.

I still wish I could do research in the future, but I am not sure if I am capable of it. Professors in States work much harder and they require independent research skills. Maybe I will just find a job after PhD, although I am clear it is opposite to the purpose of Cuiying Honors College. Anyway, our contributions to the society can be the same. Comparing to struggling in Universities, I believe that living a comfortable life is more important.

At the end, I want to say thank you to all the friends I met in college, to Faculty of Chemistry and Chemical Engineering, to Cuiying Honors College. It is you guys gave me help when I was in need, gave me hope when I was in desperation, and gave me chances to going abroad.

I cannot make any promise here, but I will keep going on my career without hesitation.

晚上繁星满天的夜空……

我们把青春留在了这里，我们在这里奋斗，在这里恋爱，在这里成长，而兰大也像一位母亲一样，静静的陪在我们身边，支持着我们。而今，我离开了母亲的怀抱，飞向了更远更广阔的天空，但她给予我们的温暖和教会我们的道理却一直在我心里，辅导员对我的开导，同学的关心和照顾，老师的悉心栽培，这些生命中一个有一个的温暖瞬间都深深的印在我的脑海中。

许许多多的话都还没说，但最想说得一句话，是谢谢，谢谢遇见了你，我的大学！

Life in Lanzhou University was a treasure in my life. I met fantastic people here. They helped me when I confronted difficulties; they hugged me when I cried; they criticized me when I did something wrong. They are there when I need them. I grew up here and learned to stand up when falling down; I accepted other people's imperfections but be strict to myself; I tried my best when I wanted to achieve my goal instead of just day-dreaming. In a word, this is a place that gives me the power to improve myself and fulfill my dream. Thank you, I will always remember these beautiful days in Lanzhou University.
